

GUZMAN23FOUNDATION

YOU ARE CORDIALLY INVITED

The Guzman 23 Foundation appreciates your love, support, efforts & time into participating in this inaugural year of events in 2011. This is a personal journey into the families that have loved ones suffering from Alzheimer's disease. It is a personal journey to honor Mrs. Maria Guzman, Jose's mother, who died from this disease. We appreciate being able to share with you fond memories of Mrs. Guzman & many other loved ones' stories as we putt around in search of hope, faith and love. Again, thank you for allowing us to share with you memories and happiness. We hope you will join us Monday, October 17, 2011 at Trophy Club Country Club.
